

The Outline of INTERNATIONAL COLLABORATION SYMPOSIUM

Hosted by the Graduate School of Information, Production and Systems,

Waseda University (早稲田大学), Japan (シンポジウム概要)

Title: International Collaboration Symposium on Information, Production and Systems Hosted by the Graduate School of Information, Production and Systems, Waseda University, Japan

Theme: The **keywords** for the symposium are as follows.

Information: Information and communication model, Computational Intelligence, Language and media information, Social informatics and management information, Robotics & mechatronics, Fiber-optic systems etc

Production: Management and Production information system, Intelligent and Process Control System, Machine Design and Mechatronics, Process monitoring and Equipment management, Sensor, MEMS and Advanced materials, Energy and Environment development etc

Integrated Systems: Multimedia and Image Information, Mobile Communication, Analog and High-frequency Circuits, Ultra large-scale IC, High-speed and Low-power LSI, LSI Design Automation, LSI verification and Test etc

Term: From Wednesday 12th until Thursday 13th November, 2014 inclusive

Place: Graduate School of Information, Production and Systems (IPS),

Kitakyushu Campus, Waseda University

2-7 Hibikino, Wakamatsu-ku, Kitakyushu-shi, Fukuoka 808-0135 JAPAN

Language: The official language of the symposium is English.

Expected

Participants: Faculty members, researchers and/or students from....

Beijing Institute of Technology, Beijing Jiaotong University, Beijing, Normal University, Beijing University of Chemical and Engineering, Chonnum University, Chulalongkorn University, Dalian University of Technology, Fudan University, Harbin Institute of Technology, Indian Institute of Technology Delhi, Indian Institute of Technology Kanpur, Nanjing University, National Central University, National Cheng Kung University, Pusan National University, Shanghai Jiao Tong University Shanghai University, Sichuan University, South China University of Technology, Southeast University, Thammasat University, Tsinghua University, Universiti Teknologi Malaysia, University of Electronic Science and Technology of China, Wuhan University, Xidian University, Zhejiang University (alphabetical order), and Waseda University IPS. All the students are to participate in a poster session.

Expenses: In principal, the following must be covered by participants.

- Round-trip air tickets (including airport tax, fuel surcharge, etc) between the nearest airport to each university and Fukuoka Airport;
- Accommodation in Japan during the symposium (room rate only);
- Two (2) meals per day (breakfast and lunch) in Japan during the symposium;
- Transport necessary for the programmes of the symposium (eg. transport between the accommodation and IPS, etc).

Visa: Although IPS will prepare an invitation letter, etc for each participant, it is totally the participant's responsibility to obtain an appropriate visa to enter Japan at the respective Japanese consular office prior to the symposium.

Persons in Charge: Professor Dr. Toshitugu UEDA, Dean of IPS
 (植田 敏嗣 教授・IPS研究科長)
Application Method: Please sign up from below URL.
